Altitude Swap Procedure
to the new Metrix Chain

Step 1: Download Altitude 3.0 which runs the new chain

https://github.com/TheLindaProjectInc/Altitude/releases/tag/3.0.0

Step 2: Install the wallet, open it and wait for it to fully synchronise with the new chain
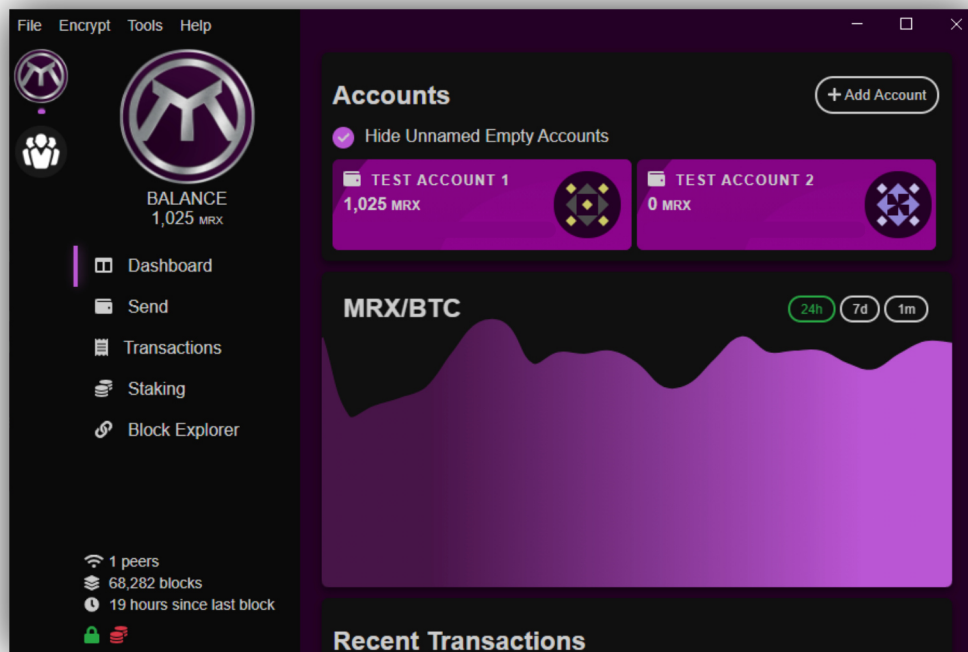

**Step 3:** Encrypt your wallet and save your password securely

Step 4: Click "**+ Add Account**" to get an address

Step 5: Go to https://swap.metrixcoin.com/

**Step 6:** Enter the newly generated Metrix address into the box
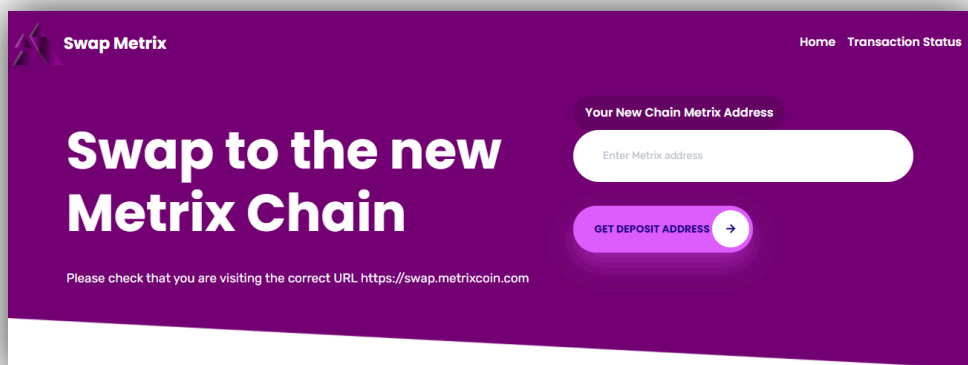

Step 7: Press "**GET DEPOSIT ADDRESS**"

Step 8: Copy "**Your Old Chain Metrix Address**"

Open your old chain wallet and click "Skip this update" when prompted.

Send your Metrix on the old chain to this swap address and you will receive the equivalent amount of Metrix on the new chain in your nominated address.

Note:

The swap will start on 25th September 2020.

The swap must be completed by 1st December 2020 or you risk having any old chain coins being burnt.
